#### INDEPENDENT AUDITORS' REPORT

Board of Directors Comunidades Latinas Unidas En Servicio, Inc. St. Paul, Minnesota

We have audited the accompanying financial statements of Comunidades Latinas Unidas En Servicio, Inc. (a nonprofit organization), which comprise the balance sheets as of December 31, 2017 and 2016, and the related statements of activities, functional expense, and cash flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors Comunidades Latinas Unidas En Servicio, Inc.

Clifton Larson Allen LLP

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Comunidades Latinas Unidas En Servicio, Inc., as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### NOTE 1 SUMMARY OF BUSINESS BACKGROUND AND SIGNIFICANT ACCOUNTING POLICIES

#### **Business Background**

Comunidades Latinas Unidas En Servicio, Inc. (CLUES or the Organization) is a 501(c)(3) nonprofit established in 1981 by Latinos for Latinos who share a vision for improving the quality of life of the Latino population in Minnesota, as well as a commitment to community building. While CLUES has grown significantly to meet the needs of our clients, our commitment to these founding values has not wavered. Our services focus on the Latino family, yet our experience and capabilities enable us to serve individuals and families from all walks of life including immigrants and low-income families who dream of a better future.

The Organization's mission, as stated in our 2017 – 2020 strategic plan, is to advance the capacity of Latino families to be healthy, prosperous, and engaged in their communities. The Organization's longer-term vision is to help create a thriving multicultural community enriched with confident and strong Latino families who actively contribute their voice, skills, entrepreneurial spirit, and cultural richness to the community at large.

Living our mission means that we value:

- Family: We believe in the value and power of the family unit and portray this in our ability to provide family-centric services that strengthen Latino culture and community vitality.
- Community Strength: We recognize the talents and resiliency of our clients and strive to help them identify their strengths, build on them, and reach their goals.
- Respect: We honor the dignity and worth of all people, striving for humility and compassion as we interact and advocate for our clients.
- Collaboration: We work with others, understanding that collaboration is paramount to achieving comprehensive community impact.
- Accountability: We are committed to upholding the highest standards for quality and effectiveness in service to our community, clients, funders, and stakeholders.

CLUES impacts the greater Latino community by addressing the needs of individuals and families through classes, counseling, services, and programs, which provide strong building blocks that lead to long-term self-sufficiency. Our services attract approximately 35,000 individuals annually throughout Minneapolis, Saint Paul, Mankato and the rest of southern Minnesota. As the largest Minnesota provider of health, education, economic, and civic engagement services focused on the Latino community, CLUES promotes a thriving, multicultural community with the help of our valued donors, volunteers, staff, and community partners, all of whom are committed to the long-term success and sustainability of Latino community in Minnesota.

### NOTE 1 SUMMARY OF BUSINESS BACKGROUND AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) Business Background (Continued)

During the summer of 2017, CLUES' leadership reviewed and updated our Strategic Goals through 2020. Our mission and vision remain relevant and continue to be the foundation for our strategy and direction. During the 2014-2016 Strategic Plan implementation period, CLUES grew revenues from \$5.7 million in 2014 to more than \$9 million in 2017. We've diversified sources of income and moved from net losses to net gains. Staff grew to over 100 employees and volunteers to more than 700. Today, CLUES is a strong organization ready to meet the changing needs of Latinos and immigrants.

By 2035, Minnesota's Latino population is estimated to surpass half a million individuals, more than 8.5% of the state's total population. We strive to grow in innovative ways to meet the needs of our community and expand our presence in new geographic areas.

Our refreshed Strategic Goals call us to continue delivering quality services and invest in our capacity to: advance equity by connecting community health and wealth initiatives to educational enrichment; Advocate for individuals and families to have access to opportunities; grow programming and services for Latino youth; amplify cultural engagement by cultivating a strong Latino heritage; and seek organizational excellence by investing in our internal capacity to support individuals and families at each stage of their journey towards health and economic wellness.

We believe the best way our organization can foster equity and inclusion and improve outcomes and conditions for Latinos and immigrants is to empower them through knowledge, engagement, and advocacy. Through expansion efforts, we will focus resources to advance place-based community hubs that promote health, education, cultural engagement, and social and economic wellness.

Our model of service is designed to advance learning and build social and human capital. We focus on leveraging people's strengths and skills to achieve long-term self-sufficiency. Through strategic collaboration, CLUES provide a broad range of services and advances promising new strategies.

Our services are based on an intergenerational approach to increase accessibility, promote learning and motivate children and parents to mutually support one another towards a better future.

# NOTE 1 SUMMARY OF BUSINESS BACKGROUND AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) Capital Campaign Initiative

In 2015, the Organization began the process to raise funds in an effort to renovate and expand the current office headquarters. This expansion will allow the Organization to consolidate and expand programs while increasing the resources and services to the Latino clients and community.

The Organization has over 100 staff members (across the organization) and a tenant in its headquarters, maxing out the current capacity. Space is one of the main constraints as an organization. A successful capital campaign will alleviate this restriction and will allow the Organization to carry out the current strategic plan as well as the long-term mission more effectively.

The total cost of this expansion is estimated to be \$7.5 million and construction is set to begin in the Summer of 2018. Of the \$7.5 million, the Organization plans to finance the expansion through private fundraising efforts (\$4 million), new market tax credits (\$2.2 million) and borrowing (\$1.3 million).

#### **Financial Statement Presentation**

Net assets and revenues, gains, and losses are classified based on donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted Net Assets</u> – Resources over which the board of directors has discretionary control. Designated amounts represent those revenues which the board has set aside for a particular purpose.

<u>Temporarily Restricted Net Assets</u> – Those resources subject to donor-imposed restrictions which will be satisfied by actions of the Organization or passage of time.

<u>Permanently Restricted Net Assets</u> – Those resources subject to a donor-imposed restriction that they be maintained permanently by the Organization. The donors of these resources permitted the Organization to use all or part of the income earned, including capital appreciation, or related investments for unrestricted or temporarily restricted purposes.

The Organization has elected to present temporarily restricted contributions, which are fulfilled in the same time period, within the unrestricted net asset class.

### Cash and Cash Equivalents

Cash and cash equivalents include all cash and investments with original maturities of three months or less. Cash balances at financial institutions may exceed federally insured limits at times.

# NOTE 1 SUMMARY OF BUSINESS BACKGROUND AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) Receivables

Grants, accounts and pledges receivable are stated at net realizable value. At December 31, 2017 and 2016, the Organization recorded an allowance for uncollectible accounts in the amount of \$2,058, which is based on management judgment considering historical information. The Organization separately reports grants receivable and pledges receivable. Grants receivables represent receivables with initial anticipated collectibility of less than one year, while pledges receivable are those with initial anticipated collectibility of greater than one year. Receivable balances that are expected to be collected within one year are recorded at their net realizable value. Pledges that are expected to be collected in future years are recorded at the present value of the amounts expected to be collected.

The discounts on those amounts are computed using an imputed interest rate applicable to the year in which the pledge is received. This value is determined to be fair value and is calculated using an income approach of applying a discount rate technique in the year in which the pledge is received. Conditional pledges are not included as support until such time as the conditions are substantially met. The Organization received no significant conditional gifts in 2017 and 2016. There was no allowance or discount warranted on pledges receivable at December 31, 2017 and 2016.

### Land, Buildings, and Equipment

Purchased land, buildings, and equipment are recorded at cost. Contributed items are recorded at fair market value at date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulation, contributions of land, buildings, and equipment are recorded as unrestricted. Depreciation of land, buildings, and equipment is computed on a straight-line basis over the estimated service lives of the asset. The Organization capitalizes items greater than \$2,000.

The Organization assigns useful lives to assets as follows:

Land	N/A
Building	40 Years
Vehicles	5 Years
Furniture and Equipment	5 Years
Software	3 Years
Leasehold Improvements	15 Years

#### **Loan Financing Costs**

At December 31, 2017 and 2016, loan financing costs of \$89,328 were netted with related debt (see Note 5) and amortized using the straight-line method over the assumed 40-year term of the loan. Accumulated amortization was \$28,943 and \$26,710 for the years ended December 31, 2017 and 2016, respectively.

### NOTE 1 SUMMARY OF BUSINESS BACKGROUND AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED) Tax-Exempt Status

The Organization has a tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Minnesota Statute 209.3. The Organization is classified by the Internal Revenue Service as an organization that is not a private foundation. Therefore, charitable contributions by donors are tax deductible.

The Organization has adopted guidance in the income tax standard regarding the recognition of uncertain tax positions. This guidance prescribes recognition threshold principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized. The implementation of this guidance had no impact on the Organization's financial statements. The Organization's tax returns are subject to review and examination by federal authorities.

### Functional Allocation of Expense

Salaries and related expenses are recorded based on actual employee hours incurred by program or supporting service. Expenses, other than salaries and related expenses which are not directly identifiable by program or supporting service, are allocated based on the best estimates of management.

#### **In-Kind Contributions**

Contributions of products donated to the Organization are recorded at fair market value at the time they are received. Donated services are valued at a predetermined or estimated rate commensurate with the work performed.

#### **Private Grants**

The Organization reports private grants revenues separately from contributions as these are exchange transaction revenues from corporate and nonprofit organizations that are recognized when earned.

#### **Estimates**

Management uses estimates and assumptions in preparing financial statements in accordance with U.S. generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expense. Actual results could vary from the estimates that were used.

#### **Subsequent Events**

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through April 27, 2018, the date the financial statements were available to be issued.

#### NOTE 2 SIGNIFICANT CONCENTRATIONS OF CREDIT RISK

The Organization provides services within the State of Minnesota. Grants and contributions are received from both national and local institutions. Substantially, all the grants and pledges receivable are from organizations, corporations, and the state and federal governments.

For the years ended December 31, 2017 and 2016, major sources of support and revenue and their respective concentration as a percentage of total revenues were as follows:

	2017		2016	
State of Minnesota	\$ 1,061,238	11.1%	\$ 1,026,324	12.8%
Hennepin County	416,318	4.3	367,970	4.6
Ramsey County	116,769	1.2	88,460	1.1

Additionally, for the year ended December 31, 2017 and 2016, approximately 23% and 25%, respectively, of contributions were from two donors.
