— FORTALECIENDO COMUNIDADES DESDE 1981 —

## Our mission

To advance social and economic equity and wellbeing for Latinos by building upon our strengths and cultures, uplifting our community, and activating leadership for systemic change.

## Our vision

A Latino community that is growing in strength and unity, with diverse and amplified voices, equal representation, and the resources needed to lead healthy and thriving lives.

## Who we are

CLUES is a linguistically and culturally relevant resource and service nonprofit organization that was founded in 1981 by Latinos for Latinos. Our programs and services connect families to resources, skills, institutions and systems and create an environment for people to be engaged and empowered.

## Who we serve

Our services focus on the Latino family and individuals, yet our experience and capabilities enable us to serve individuals and families from all walks of life, including new immigrants and low-income families who dream of a better future.
